

## Getting Started

### OPTION 1

#### 1 Download the ParkAt app

#### 2 Create your account

Sign up or log in to get started.

#### 3 Add your payment method & licence plate

Save your card details for automatic payment, and enter your vehicle registration before you park.

#### 5 Find your parking location (EMA Car Park Building)

Find your car park in the app or on arrival

#### 6 Start your parking session

Choose your vehicle, check the parking option, and start your session.

#### 7 End or manage your session

Stop your parking when you leave, or manage it in the app if needed.

### OPTION 2

#### Scan to pay

1 Scan the QR code on site

2 Enter your licence plate

3 Pay securely on your phone
